[Ford Ids Vcm 2 Software License 680](#)

The screenshot shows the 'Device Selection' window of the IDS-86.00 software. The window title is 'IDS-86.00'. The main content area is divided into two sections. The left section contains instructions and a table. The right section contains a 3D illustration of the diagnostic hardware and a laptop.

Device Selection

Make connection as shown.

- Connect the [VCM II](#) cable to the vehicle [DLC](#).
- Set ignition switch to ON (Position II).

Press tick to continue

Warning: The diagnostic cables must not interfere with the safe operation of the vehicle. Secure all cables away from the vehicle pedals.

| Device | Type | Wireless Default | Serial # | Status |
|--------|------|-------------------------------------|----------|--------------|
| | | <input type="checkbox"/> | XXXXXXXX | Not Detected |
| | | <input type="checkbox"/> | XXXXXXXX | Not Detected |
| | | <input checked="" type="checkbox"/> | 31605352 | Detected |
| | | | | |
| | | | | |

The right section of the window shows a 3D illustration of the VCM II cable connected to a vehicle's DLC. Below it, a laptop displays the 'IDS' logo and a blue arrow pointing left. Wireless signal icons are shown between the cable and the laptop, indicating a connection. On the right side of the window, there are several icons: a green double arrow, a blue list icon, a red 'X' icon, and a blue checkmark icon.
